reprint of the original first published in 1877 the antigonos publishing house specialises in the publication of reprints of historical books we make sure that these works are made available to the public in good condition in order to preserve their cultural heritage

vols 1 44 include proceedings of the annual meeting 1889 1933 later published separately

the collective monograph is devoted to the study of current problems of socioeconomic development of modern ukrainian society the study uses an interdisciplinary approach that allows you to analyze different aspects of society which increases its importance historical research begins with the study of socio economic transformations in the second half of the nineteenth century in particular an analysis of the socioeconomic development of ukrainian lands after the agrarian reform of 1861 considered the social situation of the peasantry after the abolition of serfdom analyzed the development of the railway industry and its impact on economic reforms resistance to russian aggression and the issue of post war reconstruction are relevant for ukraine today the study of the historical experience of ukraine s participation in world war ii requires further work of researchers it is with ukraine and even more broadly that the decisive events on the entire soviet german front are connected with the entire southern direction as its geographical extension the fate of the whole war was decided on the ukrainian and in general the southern part of the soviet german front the phenomenon of the volunteer movement which today allows us to solve a number of pressing problems of ukrainian society originated in soviet times under the influence of gorbachev s policy of perestroika the monograph pays considerable attention to such a large scale social phenomenon as the emergence and development of amateur informal organizations outside the state influence in 1987 1989 researchers conclude that the democratization of ukrainian society marked the beginning of the struggle for ukraine s independence studies of socio humanitarian problems remain relevant for the modern socioeconomic development of ukraine today in conditions of fierce competition which requires constant updating of technologies accelerated development of innovations rapid adaptation to the demands and

requirements of consumers of socio cultural services the question of increasing the competitiveness of managers is acute training of future managers of marketing communications consists in development of effective models of management approbation of new projects of activity of the organization therefore the most effective method of learning is a business game in almost any business game a real professional situation is simulated which requires a managerial decision in addition business games have such components that fundamentally distinguish them from all other technologies primarily in that they have an operational scenario or block structure which is embedded algorithm correct and incorrect decision ie the participant in the game sees the result of his decisions on future events the text of the collective monograph focuses on such a topical phenomenon as the philosophical view of nature in retrospect of the current environmental crisis the current international level of measures to harmonize economic expansion into nature and the principles of ecological balance reveals the need for an appropriate worldview scale of rethinking the relationship between man and nature beginning with the recognition of their mutual influence and ending with reformulation of fundamental definitions from this point of view they appear to be relatively long lasting and reproducible connections over a certain historical period in which objective reality is a prerequisite for the existence and spiritual development of mankind not only as an external environment but also as a potential for internal possibilities today in most countries of the world the issue of observance and protection of human and civil rights is very acute the institute of human rights protection began to develop especially actively at the beginning of the xxi century when most countries set a course for democratization and development of civil society in this regard there are many regulations at the international level that enshrine human rights and the protection of human rights of particular importance in the context of the protection of human rights is the constitutional right to protection the realization of a person s right to protection can be carried out through various political and legal mechanisms the content of the monograph corresponds to the direction of research work of the department of history of ukraine and philosophy of vinnnytsia national agrarian university study of trends in socio economic development and consolidation of ukrainian society in modern history of ukraine the methods of historical research statistical analysis sociological and pedagogical approaches were used in the work
