the thirty papers published here record the proceedings of the third international conference on the military orders the principal focus on this occasion was the hospital of st john but the templars teutonic knights and other military orders are dealt with too many of the papers relate to provincial life along with contributions on historiography the papacy cultural history and religious life

the studies in the present volume on the history of the order of the hospital between 1306 and 1522 are not only concerned with the part it played in the defence of the latin levant but also with its role in western society the first articles deal with the settlement of rhodes the conflicts with the turks and with the hospitallers participation in crusading expeditions as important however is the question of how they managed to support their military achievements drawing on the results of many years research into the archives of the hospital both in malta and in the provincial archives dr luttrell examines their administration of the rhodian islands and details some of the resources they drew from elsewhere notably the west whether in terms of recruitment money raising or the exploitation of their estates particular attention is given to the hospitaller properties in italy and spain and to the nature of hospitaller life in these western priories and commanderies les études regroupées dans le présent volume qui traitent de l histoire de l ordre de l hôpital entre 1306 et 1522 ne s attachent pas seulement au rôle joué par celui ci dans la défense du levant latin mais aussi à son rôle dans la société occidentale les premiers articles s intéressent à la colonisation de rhodes aux conflits avec les turcs et à la participation des membres de l ordre aux expéditions croisées la question de savoir comment ils parvinrent à financer leurs exploits militaires reste toutefois importante s appuyant sur les résultats obtenus après de nombreuses années de recherches dans les archives de l hôpital à malte et en province le dr luttrell examine leur administration des îles rhodiennes et fait un compte rendu qu ils tirèrent d ailleurs notamment de l ouest que ce soit en terme de recrutement de collecte de fonds ou d exploitation de leurs terres une attention plus particulière est portée sur

scholarly interest and popular interest in the military orders show no sign of abating their history stretches from the early twelfth century to the present they were among the richest and most powerful religious corporations in pre reformation europe and they founded their own states on rhodes and malta and also on the baltic coast historians of the church of art and architecture of agriculture and banking of medicine and warfare and of european expansion can all benefit from investigating the orders and their archives the conferences on their history that have been organized in london every four years have attracted scholars from all over the world the present volume records the proceedings of the fifth conference in 2009 held in cardiff as the london venue was in the process of refurbishment and like the earlier volumes in the series will prove essential for anyone interested in the current state of research into these powerful institutions the thirty eight papers published here represent a selection of those delivered at the conference three papers deal with the recent archaeological investigations at the hospitaller castle at al marqab syria others examine aspects of the history of the military orders in the latin east and the mediterranean lands in spain and portugal in the british isles and in northern and

eastern europe the final two papers address the question of present day perceptions of the templars as moulded by the sort of popular literature that most of the other contributors would normally keep at arm s length

based on extensive archival searches this book provides the first reconstruction of the templar presence in north west italy giving general insights into the development and organization of the order in this area and providing an outline of the history of each templar house

this fourth collection of dr luttrell s studies on the military order of the hospital concerns its activities on the island of rhodes acquired between 1306 and 1310 where it struggled to contain the naval aggression of the anatolian turks and to settle the island and organise its society and economy at the same time it had to exploit its cypriot possessions and its european provinces in order to secure the manpower and resources needed to sustain its eastern activities the author has spent over 40 years working in the hospital s archives on malta and elsewhere throughout the west studying the hospitallers military and naval affairs their spiritual and medical activities and the organisation of their western priories and commanderies these studies illustrate the workings of an extensive multi national corporation dedicated to the defence of christendom

the military orders essay collections arising from the quadrennial conferences held at clerkenwell in london have come to represent an international point of reference for scholars this present volume brings together twenty nine papers given at the seventh iteration of this event the studies offered here cover regions as disparate as prussia iberia and the eastern mediterranean and chronologically span topics from the twelfth to the twentieth century they draw attention to little used textual and non textual sources advance challenging new methodologies and help to place these military religious institutions in a broader context
