américa pronto se dio cuenta de su valor mítico la historia transfiguró en leyenda y los hechos se diluyeron en el relato la conquista del territorio el avance de la civilización los hombres y las mujeres de la frontera en expansión cuyos nombres y hazañas por lo común violentas pasaron a constituir una verdad contada el western versión en movimiento de las dime novels significó la primera experiencia del cinematógrafo con el espacio abierto y se convirtió en la maquinaria a través de la cual se transmitía el relato mítico de la fundación género americano el western se fue oscureciendo en el reflejo tanto de su tiempo presente como del histórico que recrea la estilización dejó paso a la introspección la emoción de la aventura a la melancolía de la pérdida el western

se convirtió en un modo ético y estético de estar y contar un país un paseo por las estaciones del western y una antología de 50 títulos componen esta aproximación a un género que en sí mismo sintetiza lo cinematográfico el gesto y el movimiento

the politics of labor in a global age is one of the first works to analyse and compare recent shifts in patterns of industrial relations across late industrializing and post socialist economies the volume features original and timely essays on labor relations at national local and workplace levels as economic and political actors cope with the similar challenges associated with economic adjustment measures and the impact of globalization the authors reveal that while globalization has threatened the position of organized labor and prompted business and state elites to accommodate greater labor market flexibility the legacies of past institutions remain evident in distinctive trends in labor politics within and across late industrializing and post socialist settings the comparisons suggest that globalization is best understood not as a source of convergence but as a set of common pressures that are mediated by specific historical inheritances that spur varied responses on the part of industrial relations actors and that facilitate quite diverse institutional outcomes

the book advances a new explanation to account for the continuity of undemocratic subnational regimes in democratic countries

by focusing on political institutions to understand the new power sharing agreement between the national party headquarters and the party's governors this work explores why Mexico's hegemonic PRI was able to survive out of power after it was ousted from the executive in 2000

by analyzing water supply reforms in six developing country's capitals this text provides a legal economic and political examination of countries tolerant of mismanagement of their water and sewerage systems for decades that suddenly develop a thirst for efficiency

primer libro dedicado al análisis de las manifestaciones culturales de la inmigración mexicana en Estados Unidos arte literatura cine canciones humor muestra cómo los inmigrantes mexicanos han sido y son pintados y cómo los artistas escritores e intelectuales chicanos y otros han utilizado los medios artísticos para protestar contra el injusto tratamiento que reciben por parte de las autoridades de Estados Unidos

this puts additional pressure on the state to make concessions Mexico's modern history thus can be seen as a series of such crises each resulting in a new pact of domination and a period of relative social peace
