nick craig s ground breaking helming to win was published 10 years ago to great reviews many sailing books can be recycles of familiar themes and ideas not this one this is a highly personal and radical fresh

view of the subject area in the following decade since it was published nick has won 10 world 3 european and 20 national championships that s winning more championships than most of us have attended over this period as an amateur sailor with a senior full time job nick knows how to make the most of his time on the water every race is recorded in his notes every race builds on his knowledge this new edition of helming to win utilises what he has learnt from those 33 championship wins and many other less successful events with new learning new anecdotes new photos and additional captions on the photo sequences to ensure the key learnings are easy to take on this updated breakthrough book will help you make the transition from weekend racer to national champion just as nick has done covering everything from where to look and getting in the groove to mental approaches and championship sailing you will be working your way up the leaderboard in no time packed full of intelligent insight brilliant top tips and engaging photo sequences if your goal is to win then this is the book for you

for most sailors boat tuning may seem a mystery understood only by sailmakers and the like in this book sailor chandler and championship winner ian pinnell unravels this daunting subject and will help improve your boatspeed as a result since most races are won or lost by a difference of less than 2 of racing time you will soon be moving up the fleet with hundreds of photos and diagrams to illustrate every point the book clearly explains what each control does and how to set it up optimally for different conditions additional troubleshooting and skills sections take things even further making this the bible of dinghy tuning

the new york times bestselling series continues with this pun tastic epic quest and far flung fantasy adventure lydell a shy naive man of twenty one and world weary grandmother grania could not be more different but when their paths cross on the way to beseech the good magician to add some excitement to their extraordinarily dull lives the one thing they have in common is about to get them more than they bargained for lydell and grania s exceptional integrity makes them valuable to the good magician he promises to fulfill their hearts desires on the condition they pilot a fireboat to its new proprietors whoever and wherever they may be along with an obnoxious bird and a robot dogfish as shipmates they unfurl their sail of flame and cruise through the skies of xanth guided by cryptic clues picking up a crew of future children along the way lydell and grania must plan a royal wedding detonate an f bomb evade illusion dragons rescue jack and jill find a princess for a werewolf prince and face their greatest fears all while remaining true to their compulsively honest selves fire sail is the 42nd book in the xanth series but you may enjoy reading the series in any order

the crew of a racing yacht is as important as the helmsman indeed if you master the techniques in this book you should be able to take your pick of boats and helmsmen winning begins in the mind and andy hemmings first shows you how to set realistic goals and get your attitude right he then demonstrates how to set up the boat so you can work it efficiently and how to get it fit for the job the bulk of the book covers the technical aspects of crewing with each manoeuvre examined in detail and explained in words and photosequences finally andy looks at the crew s responsibilities in a race and when sailing a series this book covers all the major classes plus the new breed of twin wire boats with asymmetric kites it could take you from club sailor to world champion and even to an olympic medal the series the sail to win books cover every aspect of competitive sailing written by world class sailors and coaches they are designed to take a competent sailor through the club racer barrier to compete successfully in international fleets

unless you have unbeatable boatspeed tactics are vital to winning sailboat races multi champion nick craig shows you how to develop a strategy and what tactics to adopt on every leg and at every mark of the course his first book helming to win was described as original thought provoking like no other that has gone before it he now turns his highly analytical mind to the subject of tactics he discusses the inputs into strategy starting and the race plan going through each leg in turn nick then tackles mark tactics covering every different type of mark and fleet tactics on every leg of the course he finally focusses on boat to boat tactics again on every leg of the course in each situation he covers attacking and defensive tactics either to get ahead or make sure you stay ahead non spinnaker symmetrical spinnaker and asymmetric dinghies are all covered because nick has won world or national championships in each of these types of boats having read nick s first book many said that it had transformed the way they sailed this book will have the same effect on your tactics and should see you moving up the leaderboard
