now in its fourth edition completely revised and updated this book continues to offer in depth coverage spanning both conceptual debates about empowerment and a range of practice issues the text provides social workers with a clear framework for critical and empowering practice with service users and carers the author offers an account of the development of empowerment and participation in practice considering all dimensions from work with individuals and groupwork through to organisational community and political aspects the clarity and accessibility as well as new examples reflecting varied global contexts and material on empowering children and adults make it an essential resource at all levels of study new to this edition strong emphasis on the needs of service users and a clear focus on how social workers may encourage service user and carer participation internationally diverse case studies and practice examples reflecting global concerns as well as the changing service and practice terrains in the uk new and extended material on empowering children and adults

the complexities of employee empowerment have been largely underestimated and it is clear that organisations struggle with putting the concept into practice rozana ahmad huq recognises that effective utilisation of human resources is a strategic issue for organisations hierarchical organisations struggle to survive the growing trend for downsizing and merging of organisations means that they can no longer maintain the command and control approach and employees are given more responsibility and expected to take decisions however simply burdening employees with extra responsibility without empowering them does not deliver results drawing on her own research in organisations dr huq investigates the concept of empowerment in a new

way that combines themes from the disciplines of management and social work the latter being a domain where empowerment is an important construct this helps to bridge the gaps in knowledge in the management domain and draws attention to the positive and negative psychological implications for employees of the practice of empowerment that are often ignored by leaders and managers ultimately the author offers a practice model to help people in management and non management understand the new roles and behaviours that they need to adopt if empowerment is to become a reality this book is a resource for any business or other organisation genuinely interested in employee empowerment and for those with a responsibility for teaching about it

this is an open access book universitas sarjanawiyata tamansiswa proudly invites all students researchers lecturers and practitioners to participate in the 2nd international conference on management and business icomb this hybrid conference is a part of an annual event called international management week imw hosted by management study program faculty of economics universitas sarjanawiyata tamansiswa will be held in yogyakarta at eastparc hotel indonesia on november 11 2023 the conference theme is entrepreneurship and technology innovation fo sustainable small and medium sized enterprises icomb aims to provide a venue for scholars to share their knowledge in the field of management and business related areas internationally through research and best practice outcomes presentation to promote learning from each other by exchanging insights and strengthening the network
