a groundbreaking account of how prolonged grassroots mobilization lays the foundations for durable democratization when protests swept through the middle east at the height of the arab spring the world appeared to be on the verge of a wave of democratization yet with the failure of many of these uprisings it has become clearer

than ever that the path to democracy is strewn with obstacles mohammad ali kadivar examines the conditions leading to the success or failure of democratization shedding vital new light on how prodemocracy mobilization affects the fate of new democracies drawing on a wealth of new evidence kadivar shows how the longest episodes of prodemocracy protest give rise to the most durable new democracies he analyzes more than one hundred democratic transitions in eighty countries between 1950 and 2010 showing how more robust democracies emerge from lengthier periods of unarmed mobilization kadivar then analyzes five case studies south africa poland pakistan egypt and tunisia to investigate the underlying mechanisms he finds that organization building during the years of struggle develops the leadership needed for lasting democratization and strengthens civil society after dictatorship popular politics and the path to durable democracy challenges the prevailing wisdom in american foreign policy that democratization can be achieved through military or coercive interventions revealing how lasting change arises from sustained nonviolent grassroots mobilization

across canada new curriculum initiatives require teachers to introduce students to aboriginal content in response many teachers unfamiliar with aboriginal approaches to learning and teaching are seeking ways to respectfully weave this material into their lessons learning and teaching together introduces teachers of all levels to an indigenist approach to education tanaka recounts how pre service teachers enrolled in a crosscultural course in british columbia immersed themselves in indigenous ways of knowing as they worked alongside indigenous wisdom keepers transforming cedar bark buckskin and wool into a mural that tells stories about the land upon which the course took place they discovered new ways of learning that support not only intellectual but also tactile emotional and spiritual forms of knowledge by sharing how one group of non indigenous teachers learned to privilege indigenous ways of knowing in the classroom tanaka opens a path for teachers to nurture indigenist crosscultural understanding in their own classrooms

cancer in any malignant tumor metastasis may occur via the bloodstream or the lymphatic channels or across body cavities setting up secondary tumors each individual primary tumor has its own pattern there are probably many causative factors treatment depends on the type of tumor the site of the primary tumor and the extent of the spread oxford concise medical dictionary 1996 97 let us begin by stating the obvious acts of organized violence are not necessarily of human nature but they are endogenous events arising within the an intrinsic part evolution of complex systems of social interaction to be sure all wars have features in common people are killed and property is destroyed but in their origin wars are likely to be at least as different as the social structures from which they arise consequently it is unlikely that there can be a simple theory of the causes of war or the maintenance of peace the fact that wars are historical events need not discourage us on the contrary we should focus our understanding of the dimensions of each conflict or classes of conflict on the conjuncture of causes at hand it follows that the study of conflict must be an interdisciplinary one it is or a penchant for eclecticism that leads to that conclusion but the not humility multi dimensionality of war itself

ever since the revival of Kant's perpetual peace thesis the linkages between democracy and peace has been a central topic in international relations research with sustained debate over whether it exists and if it does why it does in this stimulating volume two leading IR scholars place the democratic peace debate within a broader context including the extent of threats in international relations degree of satisfaction with the status quo the diffusion of democracy and the rise of the trading state step by step Thompson and Rasler examine the democratic peace through a series of puzzles concerning arguments at the dyadic systemic and individual state levels synthesizing a broad range of knowledge and linking islands of theory puzzles of the democratic peace provides a distinctive look at the state of the field and paths forward

Leaders want to stay in power their self interest is the decisive motivation for action in the international arena and forms the theoretical backbone for this exciting departure from other introductory international relations texts through its discussion and development of the strategic perspective principles of international politics shows students how leaders translate their personal interests and ambitions into actions of the state and convincingly demonstrates how international and domestic politics are inextricably linked clearly explaining both the foundational ideas of international relations as well as the key concepts of the strategic perspective Bueno de Mesquita effectively links these to the analytic tools students will employ throughout
