why do so many sincere believers struggle when life becomes hard why does faith feel strong in calm seasons but fragile under pressure why do people who love god deeply still question him in times of silence when balance dies faith collapses confronts a truth many never see faith often collapses not because god failed but because balance was lost in this eye opening and deeply revelatory book joseph habimana ngoma exposes the hidden cause behind spiritual instability doubt exhaustion and confusion drawing from biblical truth spiritual insight and real life observation this book reveals how one sided living whether spiritual or practical creates vulnerability in a world shaped by unseen forces this is not a book about trying harder or becoming more intense it is a call to alignment inside these pages you will discover why pressure exposes imbalance before it reveals unbelief why god s silence feels threatening when structure is weak why effort without god leads to

exhaustion why confession without discipline leads to illusion why neutrality is dangerous in a spiritually contested world how balance restores protection clarity and stability how faith becomes rooted prayer becomes intimate and life becomes ordered this book challenges the extremes that exhaust believers and replaces them with god s original design heaven and earth walking together rooted in the truth of matthew 6 33 this message reveals that seeking god s kingdom first is not about escaping responsibility but about ordering life correctly when balance dies faith collapses is for believers who feel spiritually tired christians confused by silence and delay readers seeking depth clarity and stability anyone who desires faith that stands firm under pressure this is not a condemnation it is an explanation and more importantly it is an invitation an invitation to restore balance to realign life with god s design and to discover that when balance stands faith stands and victory follows

wisdom hath built her house she hath hewn out her seven pillars of support so declared the book of proverbs 9 1 whose author was solomon the wise king of israel significantly in this book s first part solomon as the above passage intimates is found setting forth wisdom as personified which is to say that he presents wisdom as a living active person and given the symbolic or typological connection between much of the bible s old testament content and that of the new testament we are on solid ground to infer from this presentation that wisdom personified here is none other than god s son the lord jesus christ christ is the wisdom of god manifested from heaven on earth by the divine act of the incarnation and like solomon of old who through the wisdom granted to him from heaven built the magnificent physical house of god the temple in jerusalem just so the greater than solomon even christ himself matthew 12 42c asv is today continuing to build god s spiritual house which is the church the body of christ and the material the lord uses to build god s spiritual house is the sevenfold character of the christ life that is resident within every member of his church and according to one s understanding of the book of proverbs the seven pillars of wisdom alluded to in its chapter 9 can symbolically represent the seven different traits attributes or features of christ s noble character which can be found expressed throughout the many sayings appearing in this book of wisdom righteousness diligence love lowliness gracious ness discipline and truthfulness thus wisdom personified seeks to progressively develop in us his followers these seven distinct traits of his character and once he has established these in our lives he shall be able to complete the building for his father of that dwelling place of rest and peace which god has longed to have among his people in order for this to be accomplished in us however we will need to submit ourselves to christ totally and allow his spirit who indwells us to develop and firmly establish these various character traits in us so that christ s virtuous character may be manifested through us as a testimony to the world and for touching those in need of moral and spiritual help this is the lord s purpose for us his people hence may we so give our lives over to christ that the holy spirit shall have complete freedom to accomplish this in and through us and thus we shall be usable in the lord s hands to fulfill god s will and purpose on the earth and bring him much glory
