this book represents the first extended consideration of contemporary crime fiction as a european phenomenon understanding crime fiction in its broadest sense as a transmedia practice and offering unique insights into this

practice in specific european countries and as a genuinely transcontinental endeavour this book argues that the distinctiveness of the form can be found in its related historical and political inquiries it asks how the genre s excavation of europe s history of violence and protest in the twentieth century is informed by contemporary political questions it also considers how the genre s progressive reimagining of new identities forged at the crossroads of ethnicity gender and sexuality is offset by its bleaker assessment of the corrosive effects of entrenched social inequalities political corruption and state violence the result is a rich vibrant collection that shows how crime fiction can help us better understand the complex relationship between europe s past present and future seven chapters are available open access under a creative commons attribution 4 0 international license via link springer.com
