globalisation and the vast migrations of capital and labour that have accompanied it in recent decades has transformed family law in once unimaginable ways families have been torn apart and new families have been created borders have become more porous allowing adoptees and mail order brides to join new families and women fleeing domestic violence to escape from old ones people of different nationalities marry have children and divorce not necessarily in that order they file suits in their respective home states or third states demanding support custody and property otherwise law abiding parents risk jail in desperate efforts to abduct their own children from foreign ex spouses the aim of this handbook is to provide scholars postgraduate students judges and practioners with a broad but authoritative review of current research in the area of international family law the contributors reflect on a range of jurisdictions and legal traditions and their approaches vary each chapter has a distinct subject matter and was written by an author who was invited because of his or her expertise on that

subject this volume provides a valuable contribution to emerging understandings of the subject

a british colony of fifty souls in the pacific ocean pitcairn island was settled by the bounty mutineers and nineteen polynesians in 1790 in 2004 six pitcairn men were convicted of numerous offences against girls and young women committed over a thirty year period in what appears to have been a culture of sexual abuse on the island this case has raised many questions what right did the british government have to initiate these prosecutions was it fair to prosecute the defendants given that no laws had been published on the island indeed what if any law was there on this island this collection of essays explores the many important issues raised by the case and by the situation of a small isolated community of this kind it starts by looking at the background to the prosecutions considering the dilemma that faced the british government when the abuse was uncovered and discussing the ways in which the judges dealt with the case as well as exploring the history of the settlement and how colonial law affects it this background paves the way for an exploration of the philosophical jurisprudential and ethical issues raised by the prosecutions was it legitimate for the uk to intervene given the absence of any common community between the uk and the island was the positivist law on paper approach adopted by the british government and the courts appropriate especially given the lack of promulgation of the laws under which the men were prosecuted would alternative responses such as payment of compensation to the female victims and provision of community support have been preferable and should universal human rights claims justify the prosecutions overriding any allegations of cultural relativism on the part of the uk
